

Cut service waits in half. Catch every recall.

Replace the paper sign-in sheet with a live queue your customers can join from their driveway. Every VIN is auto-checked for open recalls — turning routine visits into reimbursed warranty revenue.

Routes to your fastest qualified tech

★ HIDDEN REVENUE

Every VIN is a recall opportunity

Auto-checks NHTSA & TotalRecall when customers join. Manufacturer pays warranty rates — pure margin to you.

~\$8,580/mo

extra at 200 customers/mo · 30% recall rate · 65% capture · \$220 avg labor

Single Location	\$500/mo · \$5,000/yr
Multi-Location ★	\$600/mo · \$6,000/yr
Enterprise (4+)	Custom

+ \$1,000 one-time onboarding (white-glove setup, customer import, training). Annual = 2 months free. No long-term contract on monthly.

PAYS FOR ITSELF

Typical service center, 25 cars/day

Throughput gain	+\$5,500/mo
Recall labor capture	+\$1,070/mo
ClickQueue cost	-\$500/mo

NET MONTHLY UPSIDE **+\$6,070**
